Have a merry month of
May.

The month **May** was named for Maia, the Greek goddess of fertility.

In any given year, no month ever begins or ends on the same day of the week as May does.

May's birthstone is the emerald which is emblematic of love and success.

May was once considered a bad luck month to get married. There is a poem that says "Marry in May and you'll rue the day".

Cinco De Mayo is not Mexican Independence Day

Cinco De Mayo celebrates a Mexican Military Victory

Cinco De Mayo is not celebrated to a great extent in Mexico

In Mexico the largest celebration of Cinco De Mayo takes place in Puebla where the battle it celebrates took place

The World's Largest Cinco De Mayo Celebration takes place in Los Angeles.

27th May

MEMORIAL DAY

Memorial Day is an American holiday, observed on the last Monday of May, honoring the men and women who died while serving in the U.S. military.

Memorial Day 2019 occurs on Monday, May 27th. Originally known as Decoration Day, it originated in the years following the Civil War and became an official federal holiday in 1971.

Mother's Day is a celebration honoring the mother of the family, as well as motherhood, maternal bonds, and the influence of mothers in society. It is celebrated on various days in many parts of the world, most commonly in the months of March or May.

In the United States Mother's Day is celebrated the second Sunday of May which is May 12th in 2019.

"Throughout the course of American history, courageous men and women have taken up arms to secure, defend, and maintain these core principles upon which our Nation's freedoms depend." George Bush

Thank You
for your service & sacrifice

Let's Make: Guacamole

3 medium avocados 1 lime, juiced
 1/3 cup red onion, minced 1 tbsp chopped cilantro
 1 small clove garlic, mashed Salt and fresh pepper, to taste

Directions:

Place the pulp from the avocados in a medium bowl and slightly mash with a fork or a potato masher leaving some large chunks. Add lime juice, salt, pepper, cilantro, red onion, garlic and mix thoroughly. Makes 2 cups.

If you are serving this at a later time, a great tip to keep the guacamole from turning brown is to cover tightly with plastic wrap pressed on top of the guac.

Let's Play: Sudoku

What is Sudoku?

Su' in Japanese means numbers while 'Doku' means single. Sudoku means single numbers. Therefore, in the sudoku game, we have to fill in numbers without repetition.

- ♦ The Times in London helped spread Sudoku to Western culture by publishing its first daily sudoku in 2004.
- ♦ Can you imagine that there are 5,472,730,538 possible sudoku puzzles?
- ♦ Playing sudoku daily can boost your concentration, ease depression and even prevent Alzheimer's disease.

Sudoku is easy to play and the rules are simple. Fill in the blanks so that each row, each column, and each of the nine 3x3 grids contain one instance of each of the numbers 1 through 9.

"When God Created Mothers"

Erma Bombeck

When the Good Lord was creating mothers, He was into His sixth day of "overtime" when the angel appeared and said. "You're doing a lot of fiddling around on this one."

And God said, "Have you read the specs on this order?" She has to be completely washable, but not plastic. Have 180 moveable parts...all replaceable. Run on black coffee and leftovers. Have a lap that disappears when she stands up. A kiss that can cure anything from a broken leg to a disappointed love affair. And six pairs of hands."

The angel shook her head slowly and said. "Six pairs of hands.... no way."

"It's not the hands that are causing me problems," God remarked, "it's the three pairs of eyes that mothers have to have."

"That's on the standard model?" asked the angel.

God nodded. "One pair that sees through closed doors when she asks, 'What are you kids doing in there?' when she already knows. Another here in the back of her head that sees what she shouldn't but what she has to know, and of course the ones here in front that can look at a child when he goofs up and say. 'I understand and I love you' without so much as uttering a word."

"God," said the angel touching his sleeve gently, "Get some rest tomorrow...."

"I can't," said God, "I'm so close to creating something so close to myself. Already I have one who heals herself when she is sick...can feed a family of six on one pound of hamburger...and can get a nine year old to stand under a shower."

The angel circled the model of a mother very slowly. "It's too soft," she sighed.

"But tough!" said God excitedly. "You can imagine what this mother can do or endure."

"Can it think?" asked the angel.

"Not only can it think, but it can reason and compromise," said the Creator.

Finally, the angel bent over and ran her finger across the cheek. "There's a leak," she pronounced. "I told You that You were trying to put too much into this model."

"It's not a leak," said the Lord, "It's a tear."

"What's it for?" asked the angel.

"It's for joy, sadness, disappointment, pain, loneliness, and pride."

"You are a genius," said the angel.

Somberly, God said, "I didn't put it there."
