Visit the website for up-to-date information during the month, changes of scheduling and announcements about new events and activities going on in the community—  
[www.stjohnsgcc.org](http://www.stjohnsgcc.org)

**A**ugust is the eighth month of the year (between July and September) in the Julian and Gregorian Calendars and the fifth of seven months to have a length of 31 days.

The flower for August is the poppy.

The birthstone for August is the Peridot, an ancient Gem of the mineral Olivine. Its chemical composition includes iron and magnesium, and iron is the cause of its attractive yellowish green

**Back to School** August is the month most kids dread— Summer is coming to an end and schools start back. St. Johns and Duval School districts start back to school on August 12th. Clay County School district starts back on August 13th.

August 2– 6 is Florida Back To School Sales Tax holiday for selected school supplies and clothes. Go to page 12 of the newsletter for more information.

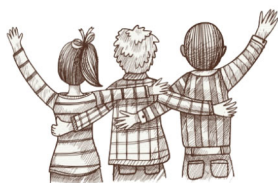

**National Honey Bee Day** (formerly **National Honey Bee Awareness Day**) is an awareness day when

beekeepers, beekeeping clubs and associations, and honey bee enthusiasts from all across the United States celebrate honey bees and recognize their contribution to our everyday lives as a means of protecting this critical species. National Honey Bee Day also pays homage to beekeepers, whose labors ensure there are well-managed, healthy bees to pollinate crops.

**National Night Out** enhances the relationship between neighbors and law enforcement while bringing back a true sense of community. Furthermore, it provides a great opportunity to bring police and neighbors together under positive circumstances.

**National Friendship Day** is August 4th. Human beings are social creatures and have always valued the importance of friends in their lives. To celebrate this noble feeling it was deemed fit to have a day dedicated to friends and friendship. Accordingly, **first Sunday of August** was declared as a holiday in US in honor of friends by a Proclamation made by US Congress in 1935.

# Announcements for the Board

## Kindergarten Ice Cream Social

Sunday, August 11th  
2:00-4:00pm

Clubhouse Back Patio  
\$10 per Kindergartner  
\$6 Other Family Members

Is your new Kindergartner excited or even a little scared to ride their first bus to school? This is a great way to calm their nerves with a little dry run before the big day! All parents who sign up in advance will have their child picked up at a designated bus stop, given some bus riding 101 and then will be dropped off at the clubhouse to meet their parents and siblings on the back patio for a special ice cream treat!

**-You MUST have a paid reservation before August 5th.-**

**(Minimum of 20 to hold this event.)**

Please email: [ktrivelpiece@rmsnf.com](mailto:ktrivelpiece@rmsnf.com) to sign up!

When signing up please give the following information:

\* Kindergartner's Name

\* Home Address

\* Number of Additional Family Members Having Ice Cream at the Club

Saturday, August 17th 11:00am-1:00pm

Music \* Games & Relays \* Food Trucks \* Prizes

# Let's Make Ice Cream

No ice cream maker? No problem. All you need are four ingredients and a little time to make delicious homemade ice cream.

You only need these four ingredients to whip up this ice cream!

- 2 cups heavy whipping cream
- 2 cups half-and-half cream
- 1 cup sugar
- 2 teaspoons vanilla extract

## Step 1: Prep Your Pan

Freeze an empty freezer-safe shallow bowl or pan. Our Test Kitchen prefers to use a 13×9-inch Pyrex pan, but anything stainless steel works well here, too.

## Step 2: Mix It Up

In a large bowl, stir all the ingredients until the sugar is dissolved.

*Test Kitchen Tip:* For the smoothest texture, make sure the sugar is completely dissolved before you freeze.

## Step 3: Freeze

Transfer your mixture into the cold pan and stick it back in the freezer for about 20-30 minutes. Around that time, check the ice cream. Once the edges start to freeze, take out the mixture and beat it using a hand mixer. By breaking up the ice cream, you'll help make it smooth and creamy. You cannot beat the mixture too much.

## Step 4: Back to the Freezer

Return the pan to the freezer. Every 30 minutes or so, take it back out and beat the ice cream again. Repeat until it is firmly frozen, usually around four or five mixing sessions. Once it's frozen, the mixture should be smooth and creamy. If at any time the ice cream becomes too hard, place it in the refrigerator until it becomes soft enough to beat, and then continue the process.

Store the ice cream in a covered freezer container until ready to serve. That's it!

**Tip:** For any ice cream whether home made or store bought, to keep the ice crystals off your ice cream while in the freeze cut a piece of parchment paper or wax paper to fit the inside of the container and place it right on the top of the ice cream. It keeps the air off the surface.

## ST JOHNS GOLF AND COUNTRY CLUB OUTING WITH THE JAGUARS

VS

10/13 | 1:00PM  
SUNDAY

Join us at TIAA Bank Field for an afternoon full of food, drinks and football as the Jacksonville Jaguars face off against the New Orleans Saints!
